Free Fact Finding online seminar

Thursday 17th September 2020,
3pm BST

If your manufacturing or tech business is considering expanding to the US **Invest Southern Virginia** invite you to a free fact-finding online seminar. You'll learn how to win new clients, set up a US business and open a new factory. You'll also hear how we can support you both financially and with expert advice, and how other world-leading companies have successfully made this move.

To register for this free seminar RSVP to:
profitinamerica@usa.com
